Neill Campbell and Paul Chambers presented to parents on the rising statistics work Poets In have offered the school, with impact, across time. Idea outlined about creating a parent buy in scheme to help with funding shortfall from government/sponsorship.	Mr Roberts and Governors to create communication to parents regarding creation of a community fund towards pupil support from Poets In
Mr Roberts presented an update regarding the project on phone use/social media/screen time. Mr Roberts has been discussing at an agenda item with all other cluster area Headteachers. All keen to pull something together which could be more impactful across the region. Mr Roberts has also gained advice and enlisted the support of PEL, a local Tech support company.	Draft strategy to be developed by Headteachers, coordinated by Mr Roberts in Autumn. Another update to come to parents in due course.
AOB Next Form dates to be set in September. One area already on next agenda is sports teams and selection policy. Parents asked for any other thoughts at this time. School dinners requested. PR outlines this will be possible annually but Aspens recently presented to the forum. Further agenda items for the year to be sought in September.	Aspens and school kitchen team to be on agenda for next year again
