'The best we can be in all that we do'

Friday 3rd November 2023

Dear Parents/Carers

Design Technology and Art contribution

Both Art and Design Technology (Product Design, Textiles and Food) are popular subjects in school and give your child opportunities to develop and practise many different skills. The practical nature of these subjects means that the running costs of these departments are high and we are very reliant upon the support we receive from parents to maintain the opportunities we provide.

To this end we are writing to ask for a contribution of £10 towards the costs of materials throughout the year. This will allow your child to bring home the excellent work they produce. We hope that you will feel able to contribute and we remain extremely grateful for the fantastic support you provide.

Payment is to be made via ParentMail:

Log into your [IRIS ParentMail](#) account and select "Payments" in your parent feed on either your computer or through the ParentMail App. If you have a notification, it means you have been invited to pay for something, or have been notified of a new payment item which is now available for you to buy or pre-order.

Once in Payments, you will be able to view items "To Pay" or visit the "Shop". Automatically, you will be in the "To Pay" page. When you click into "Shop" you will be able to view items set up as available payment items, which you can buy at any time.

Thank you for your continued support.

With kind regards

Miss S Quyyum

Mr D Burr

Leader of Art

Leader of Design Technology.
