WHAT IS IT?

YouTube is a free video sharing website that makes it easy to watch online videos. You can create and upload your own videos to share with others. Originally created in 2005, YouTube is now one of the most popular sites on the Web.

PRIVACY SETTINGS

Select your Profile Picture, then click Restricted Mode: Off. Click Activate Restricted Mode to turn it on for your current browser. If you're using YouTube on another browser or device, you'll need to do this again to turn on Restricted Mode.

MONITORING

Creating a Google Family account allows you to monitor what your child is watching, uploading and sharing with others. This displays their recently watched videos, searches and recommended videos. This allows you to ensure your child is only accessing appropriate content.
